REQUEST FOR PROPOSAL
FIRE DEPARTMENT MINI-PUMPER TRUCK
4/28/2021

The City of West Bend, Iowa is accepting proposals for a current model medium duty single axle mini-pumper fire truck.

The specifications for the chassis and apparatus are listed on the attached form. All bids must meet the minimum requirements. Any questions concerning these specifications should be directed to Clinton Schneider, City of West Bend at City Hall (515) 887-2181.

Dealers submitting proposals shall include detailed truck and apparatus specifications and should include comments or additional information that they feel is important with respect to the chassis/apparatus as specified. This is particularly important when the truck or equipment appreciably exceeds a specifications.

The Specification/Proposal must be submitted to: Attn: City Clerk, City of West Bend, PO Box 348, West Bend, IA 50597 no later than 4:30 p.m. on May 19, 2021.

The outside of the envelope containing the proposal shall show “Mini-Pumper Fire Truck” with the name and address of the dealer submitting the proposal.

The City Council reserves the right to reject any or all proposals and will select the mini-pumper truck that best suits the needs of the City.

All operation, parts and service manuals for the vehicle/equipment shall be supplied when delivered.

The City will provide any necessary tax exemption certificates. No tax is to be included in the quoted price.

Payment for the mini-pumper truck, will be made following the delivery of such chassis/equipment and approved by the West Bend City Council. The truck/equipment will be inspected and performance tested prior to final payment.
